hearts blood if he counted Tilden out.

JOHN G. THOMPSON'S grand mating at Columbus on the 22d., was a small affair, and "didn't do it exultantly," worth a cent. Somebody should hold John, but as he has'to hold his baton as Monday be will probably subside.

THE Democracy had better go a lit tle slow on this matter of misspelled names, for they may discover to their sorrow that they are far deeper in that little muddle than are the Republi cans. It would cost them no less than four electors in Indiana alone,

GENERAL J. M. TUTTLE, of lows, formerly a Democrat, has just returned from Louisiana, and says that Haves has carried that State beyond a doubt if the count is fair and honest. He also describes the intimidation as terrible and is surprised that any Republican votes were cast. He represents that the negroes are aroused to the last degree, and if arms were obtainable broodshed would certainly ensue.

THE latest compilation of returns for the next Congress places the representation as follows: Democrats 149. Republicans 141, with a possible gain of 1 in Maryland, two from Pennsylvania, two from Illinois and two from Louisiana, which would make the fig. 143. New Hampshire will certainly making 150 Republicans and 144 Dem ocrats. It will be quite comfortable if matters turn out so.

Carolina to whom the Supreme Court Sea! is not good to cover its returns were managed in Eastern Mississippi. of that State had issued a peremptory on the Presidential question, it is good The next letter shows that matters tificates of election, to candidates for ow of a doubt, however, but the Vice part of the State. Three had blood brought on them, Electors in that State, was United States struck back—if they had dared to re sent any of these insults or injuries, it would have been a terrible crime. They were trying to provoke some poor negro to strike back, but the weak, defenceless creatures took it all; they dared not strike. Finally, when THE BRAVE, DEMOCRATIC CHIVALRY(?) saw that the officers were determined to keep the peace and that they were prepared to do it, amidst caths and curses, they fell back and let the colorage appeals of a pool of the same to introduce a railway construction. By this time our readers are doubtess well acquainted with the particulars of the terrible accident that occurred on board the tug J. W. Bennett in the straits of Mackinaw, on Tuesday of last week. The Bennett, it will be remembered was built at this place last summer, and its owned by Capt James Bennett, of the debilitated, and is a certain remedy for all disacred from poverty or want of blood. They were trying to provoke some poor negro to strike back, but the weak, defencelesses creatures took it all; they dared not strike. Finally, when the board and seven lines of railway of about 400 hundred miles in length, at a cost of \$10,000,000. In New Zealand authority is asked to borrow \$6,250,000 for the purpose of railway construction. In Victoria the intention of the Government to introduce a railway construction. In Victoria the intention of the Government to introduce a railway construction. In Victoria the intention of the Government of the purpose of railway construction. In Victoria the intention of the Government of the purpose of Captain Paul Pelkey. On Monday night of last week she went as above near St. Helena Island. In the and if the negroes had turned and

Findlay, Nov. 21, 1076-1831

try at least, and see what they would do. They would not serve white men so, but they knew they could frighten the colored men.

Then the colored men turned back and decided to go back to the school house and wait. They met others coming, but none could pass the "Rebells," of course. I expected that the marshal would call for troops to open the way, but time passed and it was getting dark, and no troops came. Finally they all went back to the school house I hear the marshal was run off from the Court House. Eighard that was the case, or be was AFRAID TO CALL FOR TROOPS, and so the day closed, as I have said, with hundreds waiting to vote. As Receivers are Laniel Torrence and Membras of the colored men turned back to the colored men turned back to the colored men turned back to the colored men turned back and decided to go back to the school house and wait. They met others to make the colored men turned back and decided to go back to the school house and wait. They met others to make the colored men turned back and decided to go back to the school house and wait. They met others to make the colored men turned back and decided to go back to the school house and wait. They met others to make the colored men turned back and decided to go back to the school house and wait. They met others to make the colored men turned back and sait the machinery fording first-class vork, and has been thoof oughly overhauled and repaired. The boiler list was the intended and repaired. The boiler list was the make the said and wait is a bag and move, and wait to make the country.
